# YAHİ CHRONICLE

YAHİ BOWMEN MODESTO, CALIFORNIA  
NOVEMBER 2009

## message from the president barry vandermolen

Orastimba Archers plans on holding a 28 3D target Traditional Tournament December 6th. This Tournament will be on their range on Rooster Ranch at the confluence of the Merced & San Joaquin rivers.

NOVEMBER 15th Yahi will host their Fall Fling Tournament with 28 NFAA animal targets at Modesto Reservoir. There is no charge to get through the gate for the tournament. Let the fee collector know you are attending the shoot and a copy of your waiver will get you out with no charge. Members please come out, bring your bow and shoot.

Again this year we were able to take a number of our 3D targets to Phil Raglin in Red Bluff for repairs. Our targets are in good shape and we've been able to keep up range maintenance with the county's help. Our bank balance remains about what it was this time last year. That's OK as we've been able to cover expenses throughout the year.

New members particularly take note of your club membership renewal the end of next month. New members pay a full year dues no matter when they join. They are pro-rated for months they missed the following year. Pro-rates for the previous year are only accepted through the end of January, after that membership starts over. Membership voted for this policy several years ago so the Club could deal with it one time in the year.

See you on the range,

Barry Vandermolen  
President Yahi Bowmen  
524-2437
