Yahi's first club meeting this year is January 19th at 7 p.m.. Yahi Bowmen will host a pizza dinner for all members at Roundtable Pizza, Century Center at the corner of Oakdale Road and Orangeburg, Modesto, California. I really hope to see everyone there that evening.

For 2011 Yahi Club President will be Barry Vandermolen. Returning as Vice-President is Gary Alfrey, Secretary - Kim Stevenot and Treasurer - Ross Schemmel. We all owe thanks to this group who've chosen to take a leading position in the club moving forward.

Again this year Yahi has been asked to provide members to staff a youth archery program at the International Sportsman's Exposition at Cal-Expo on January 22nd. You can drive yourself or carpool along to arrive in time for our 10AM-2PM shift. There's room for about ten volunteers. Members entry fee will be taken care of so we can roam the exposition following our shift until 7PM closing. We'll have to pay the \$10 per vehicle parking fee. Contact me to get your name on a list to go, 345-4762. If you've never done this before, other club members will be there to show each other what to do. It's easy fun for us and the kids have a blast.

In December the range passed an NFAA inspection by CIBA's President and has been re-certified for another two years. He liked the relocation of target 28 made to increase trail safety, (suggested during a previous inspection). Thanks to all who've put in a little or a lot of time over the last two years maintaining trails, markers, butts, etc. and kept the range in great shape.

Let's talk shooting. Tournaments Yahi members attended in the recent past are coming up soon. March begins with our own Spring Fling, followed by Orestimba near Newman, Horseshoe at Lake McClure, and Lodi at lake Comanche. April holds Salinas, Maya in Roseville, and the Fresno Safari. May has the NFAA 3D in Redding and our own Bill Sullivan Trad shoot. June holds the Mt. Madonna Bug Shoot near Gilroy. Pre-registration can save up to \$10 per shooter at many of these if one is able to commit early. Summer Saturday 3D shoots will be held on our range. And during this period we ought to organize a few small game trips plus a club carp shoot. And with luck host the first sanctioned carp shoot on Modesto Reservoir.

Bring a 2011 calendar and ideas of where you'd like to see the club go this year to discuss over pizza.
